

SOTR development kit loan request form

Indications

- The development kit is composed of a Nordic nrf52840-dk board
- Access to the kit is subject to a deposit of 50 EUR, which is returned by the UA services by the end of the semester, via bank transfer, and after the kit being returned by the students;
- The deposit shall not be returned if the kit is damaged due to misuse.

Procedure

- **One student per group** delivers at the DETI secretariat a closed envelope, addressed to Miss Isabel Martins and having the student's ID and name written in the outside, with the following contents:
 - **This form** with the student's info below filled in;
 - Bank or ATM document with the IBAN to which the deposit should be returned. **A manuscript identification of the IBAN is not accepted. It must be a bank or ATM document;**
 - The deposit value amount (50 EUR, no coins please).
- The kits are delivered to students at the DETI warehouse, by the technician Paulo Martins.
 - Kits are handed to students by Mr. Martins only after the confirmation of the secretariat that the envelope and deposit are correct. Please allow one day between going to the secretariat and addressing Mr. Martins to take the kit.
